LCSO Deputies Arrest Suspect in I-10/Thomasville Road Shooting

Friday, October 3rd, at approximately 5:23 p.m., the Leon County Sheriff's Office responded after gunshots were fired, hitting three vehicles on the eastbound ramp at I-10 and Thomasville Rd. Two individuals, in separate vehicles, were also struck as the suspect, a passenger in an additional vehicle, fired gunshots into traffic.

One victim, an adult black male, was life flighted to a hospital outside of the county with serious injuries. The second victim, an adult white female, was taken to a local hospital and treated for non-life threatening injuries.

Through investigative means, LCSO detectives and criminal analysts, as well as analysts at the Capital Region Real Time Crime Center (CRRTCC), identified a person of interest and determined that one of the shooting victims, the adult black male, was known to the suspect and was the intended target of the shooting.

LCSO investigators worked through the night, following leads, obtaining search warrants and interviewing witnesses.

This afternoon, LCSO arrested 17-year-old Jakhari Williams. Williams is charged with two counts of Attempted Murder and three counts of Shooting into an Occupied Vehicle.

"I'd like to say a heart-felt thank you to our LCSO team and members of the Real Time Crime Center, who worked tirelessly, non-stop, to bring a successful and swift conclusion to this investigation," said Sheriff Walt McNeil.
