LCSO Detectives Investigating Video Involving Minors

The Leon County Sheriff's Office has received several reports of a video that was circulated among local middle school students and shared on social media. The preliminary investigation has determined the incident involves minors and did not happen on school grounds.

If you or your child receives any image or video that you believe depicts child pornography, do not share it, even if you think you are helping to get the word out to catch an accused suspect. The details should be reported on the appropriate social media platform, to a school administrator, or to law enforcement immediately.

This is an active investigation. If you have any information about this case or any cases of exploitation of children, contact the Special Victims Unit at (850) 606-3300. Tips can also be submitted anonymously through Big Bend Crime Stoppers at (850) 574-TIPS (8477). Anonymous tipsters are eligible for cash rewards of \$500 to \$5,000 dollars if their information leads to an arrest.

The Internet Crimes Against Children Task Force Program offers several free resources for parents and the community in general at www.icactaskforce.org.
