LCSO Arrests Student for Drugs and Weapon on Campus

On Tuesday, February 28 around 8:30 a.m. the Leon County Sheriff's Office School Resource Deputy (SRD) at Leon High School was patrolling the student parking lot when he observed an unoccupied vehicle with the engine running.

The SRD identified the driver as a student at the school, 18-year-old Jah'Quayvion Parks, and requested he return to the vehicle to shut the engine off. When Parks responded to the vehicle and opened his drivers side door, the smell of marijuana prompted a probable cause search of the vehicle.

The SRD's search of the vehicle found more than 86 grams of marijuana, numerous clear, plastic bags and a small black scale, in addition to a loaded Glock 33 handgun with a bullet in the chamber.

Parks was arrested and transported to the Leon County Detention Facility. He is charged with Possession of a Firearm on School Property, Possession of Marijuana over 20 grams and Possession of a Firearm by Delinquent.
