LCSO Arrests Man with Weapon on School Property

On Friday, September 8th, a Leon County Sheriff's Office deputy was alerted to an incident at the entrance gate of Gene Cox Stadium.

While attempting to gain entrance to the football game during half time, an adult male with a backpack was advised by school administrators that backpacks were not allowed inside the stadium without being searched. The man, identified as 37-year-old Justin Montgomery, consented to the search and administrators located what they believed to be a firearm.

The deputy arrived and confirmed the weapon was determined to be an air soft gun, that resembles the appearance and weight of a Glock handgun.

Montgomery was arrested and transported to the Leon County Detention Facility without incident to face felony charges for carrying a dangerous weapon on school grounds. At the request of Leon County Schools Safety and Security Team, Montgomery is also no banned from all LCS properties.
