Deputies Arrest One for Stealing Register Till at ACE

Around noon today, the deputy working at Lively Technical College was approached by an employee working at the Adult and Community Education school next door. The employee told Deputy Mike Wallace a male had grabbed the cash register till, which was located at the front desk of the administration office, and run out the door with it.

Deputy Wallace began searching for the suspect, 19 year old Daquan Balcom, as other units arrived in the area. The Leon County Sheriff's Office K-9 unit and Aviation Unit also came to assist looking for Balcom. The Tallahassee Police Department also had units in the area assisting with what was originally thought to be a robbery.

While deputies tracked Balcom with a K-9, employees at a local credit union called to say he had gone into their lobby and had locked himself in the bathroom.

Deputies responded to the bank and took Balcom into custody without further incident.
