Deputies Make Arrest in Child Pornography Investigation

On July 26, LCSO received a tip that an online user had uploaded three files containing child sexual abuse material. Through investigative means, LCSO linked the files, as well as several additional files of interest, to a local user.

As a result of their investigation, on September 24, detectives obtained a search warrant for the suspect's residence. Investigators executed the search warrant on September 29 and interviewed the suspect, 54 year old Mark Clow. During the interview, Clow admitted to both possessing and transmitting child pornography through an online chat application. Clow's laptop at the residence corroborated his confession.

Clow was arrested and transported to the Leon County Detention Facility.
