## **LCSO Arrests Man in Stabbing Death**

Just prior to 11 p.m. last night, Uniform Patrol deputies with the Leon County Sheriff's Office responded to a residence in the 8400 block of Lenova Lane in reference to a domestic disturbance.

Once on scene, deputies were able to determine 40-year-old Demario Thompson had been in a verbal altercation with 59-year-old Charles Duncan, Thompson's mother's fiancé, outside the residence. Thompson went into the residence, got a knife, and went back outside. That's when a physical altercation ensued with Thompson stabbing Duncan numerous times. Thompson was still on scene when deputies arrived.

Duncan died as a result of his wounds.

Detectives with LCSO's Violent Crimes Unit were called to continue the investigation. As a result of that investigation Thompson was arrested and taken to the Leon County Detention Facility.
