LCSO Creates "Pathways to Success" with New Re-Entry Programs

Tomorrow, the Leon County Sheriff's Office will host a ribbon cutting ceremony for a new education complex and reentry dorm, focused on reducing the recidivism rate at the Leon County Detention Facility.

This initiative is focused on giving soon-to-be released inmates assistance with education, employment, substance abuse issues and additional support programs to help them become productive members of society upon their release from the facility.

Community partners, including Tallahassee Community College, CareerSource Capital Region and Disc Village, will be on hand to talk about their role in the programs.

After a short press conference, the media will be given a tour of the new facilities.
