LCSO Investigating Kidnapping

About 5 p.m. on January 10, 2019, the Consolidated Dispatch Agency received a call about three males chasing another male out of the Publix store, located in the 5800 block of North Monroe Street.

As LCSO deputies were responding, more information was called in by additional witnesses, stating the males were now in a physical alteration outside of the Hardees nearby.

Prior to deputies arriving on scene, the three males forced the third male into a vehicle and drove off with him.

While investigating the incident, LCSO detectives successfully contacted the victim, 29 year old Brandon Hudson, who had escaped the suspects.

Through the investigation, it was determined this incident had stemmed from a previous encounter and everyone involved is acquainted with each other.

LCSO has identified suspects in the investigation and are actively attempting to locate them.

Hudson was taken to a local hospital to be checked out for minor injuries and then released.
