LCSO Seeks Information on Missing Person's Death

On August 17, 2020, LCSO received a call for service to report a missing person, 22-year-old Alexander Grant. Family members told deputies Grant left his home on August 11 and had not been seen since. Prior to reporting him missing, family contact with Grant was very intermittent through telephone calls and text messages from August 11 and August 17. The family became concerned about the welfare of Grant and his whereabouts.

On August 18, the Tallahassee Police Department recovered the body of a deceased person in an area between College Town and FAMU. The body was later determined to be that of Alex Grant.

Grant was well known and friendly to people who knew him or may have interacted with him. Due to information from the family regarding circumstances surrounding Grant's last communications, LCSO Special Victims Unit is actively investigating Grant's death and ask to speak with anyone who may have come in contact with him between August 11 and August 18. Anyone who can provide any information, please contact LCSO Detective Dustin Brock at (850) 606-3408.
