Overnight ATV Crash Results in a Death

On January 9, 2021, shortly after 11:00 P.M, deputies with the Leon County Sheriff's Office responded to a forest area located in the 18000 block of Blountstown Highway after receiving reports of an ATV crash with injuries.

Upon arrival, deputies located the ATV crash on a forest dirt trail, along with three people who had sustained injuries. Deputies learned the driver of the ATV, 28-year-old Megan Walker, received fatal injuries when her ATV side-by-side crashed and rolled over after striking a road embankment. Walker was pronounced deceased on scene. The other occupants of the ATV suffered non-life-threatening injuries and were transported to an area hospital for medical treatment. There were no other vehicles involved.

The LCSO Traffic Unit responded to the scene and assumed this active investigation.
