***FOR IMMEDIATE RELEASE***

**Media Contact:** Deputy Shade McMillian

**Date:** June 24, 2020

## **Two Deputies Test Positive for COVID-19**

Today, two Leon County Sheriff's Office deputies received positive diagnoses for COVID-19. Both deputies are now self-isolating at home. Several other deputies and staff who came into contact with the two members who tested positive are also self-isolating and will be tested for the virus.

In addition, LCSO is working with the Florida Department of Health to identify and notify additional law enforcement members who may have had contact with the two deputies.

At this time, it is not known when or where the deputies contracted COVID-19. LCSO continues to monitor potential impact and take precautions to reduce the spread of the virus. Temperature scans are performed on all persons entering the LCSO administration building, as well as the Leon County Detention Facility, to monitor for possible infections. Both buildings remain closed to the general public.

Deputy Shade McMillian, Public Information Officer  
Office (850)606-3342
